All I Can Do Is Hope

I'm known as the little one,

Which isn't any fun,

Why am I always forever treated,

Like I am never needed?

I don't know why they just can't see

That I am part of "We"

I thought that we were all a team,

But to me, that way it doesn't seem.

But maybe, if I hope.

They will all be able to cope,

With the fact that I am part of "We"

And maybe then, they'll see.

I wish that they would let me fight,

Even though the load would not be light,

It would still be better, at least to me,  
And maybe then, they'll see,  
That I am part of "We"  
But until then,  
All I can do is hope.
